

**September 6, 2019**

**Notice to 2019 DALMACers:**

You may not know that fellow DALMACer, Paul Stern from Holly MI, passed away on the 2nd day of the 5 West route on DALMAC 2019. Witnesses reported the solo crash. Our hearts go out to his family and friends.

**Paul's wife Randa asked us to post this invitation:**

Please join me, Randa Stern, in a celebration of Paul Stern's life.

Paul completed this year's 150 mile ODRAM event in 10 hours and 1 minute. Not too shabby for an 80 year old man. He was passionate about biking, me, about everything he did. He loved and lived passionately.

He had started his second DALMAC ride and with less than 6 miles to go on the second day, he had a catastrophic accident (no one else was involved) and did not survive.

We will be having a celebration of life/ice cream social (because ice cream was his favorite food) at 2:00 PM on Thur. Sept. 19 at River View Church, 8393 E. Holly Road, Holly, MI.

You are all welcome to come. DALMAC riders are invited to wear their DALMAC jerseys.

Please text your RSVP to (248) 245-3067 if you plan to attend.

Contributions can be made to River View Church in Paul's memory.

Thank you.
